\_\_\_\_\_ **Beginning Band** ---- Students will learn how to read sheet music, play a recorder and the basic foundations of music.

\_\_\_\_\_ **MJ Band 1** ---- This course will include detailed instruction in the following “wind” instruments: Oboe, Flute, Clarinet, Saxophone, Trumpet, French Horn, Trombone, Baritone Horn, and Tuba (more information included in the packet).

\_\_\_\_\_ **Chorus** ---- This will be for any student with or without experience in music or singing. You will learn how to read music and sing a variety of songs.

\_\_\_\_\_ **Explorations of Agriculture** ---- Students in agriculture classes work to develop their potential for premier leadership, personal growth, and career success. We do this through the following:

- Agricultural projects—livestock, poultry, companion animals, plants, gardening, green housework, etc.
- Teamwork: communication, social interaction, cooperation
- Good character and citizenship: volunteering and leadership skills

\_\_\_\_\_ **Physical Education (P.E.)**---- Students will be required to dress out and participate in all different types of sports.

\_\_\_\_\_ **STEM** ---- Science, Technology, Engineering, Mathematics: Drones, Coding (Programming), And Robotics.

\_\_\_\_\_ **AVID** ---- Prepares students for four-year college eligibility. AVID’s mission is to close the achievement gap by preparing students for College Readiness and Success in a global society. The three main components of the program: Academic Instruction, Tutorial Support, and Motivational Activities.
